On Sept 29, 2005, we submitted a petition for revival, however it seems that the last page did not go through the fax correctly. We also did not know that there was a reply necessary to the Dec. 14 2004 Office action until we received the dismissal letter. We think the letter was sent to our previous attorney, which did not copy us in after his representation of us ceased. We only knew about it after we had our address info changed with you, applied for the revival, and

in the dismissal letter there was a reference to having to answer that office action letter.

At this point we would like to submit a request for an extention and pay the \$60, for the one month

extention because we just found a copy of the action letter online after one of your customer service representatives showed us how to find it. We will need the one month extention to prepare

an adequete reply....

Thank you kindly for your help... please see the credit card payment form to pay for that form.
